PROVISIONAL NOTICE OF APPEAL

Applicant hereby provisionally appeals to the Board of Patent Appeals and Interferences from the action dated November 5, 2004, finally rejecting claims 1-13.

On March 17, 2005, Applicant filed a Petition for Suspension of Action to address all of the Examiner's rejections for a co-pending application. On April 25, 2005, applicant's representative spoke to Examiner Dinh to confirm if a decision had been issued. Examiner Dinh confirmed that he was working on the decision and that we would receive the decision by the end of the week. On May 5, 2005, applicant's representative again spoke to Examiner Dinh to confirm if a decision had been issued. Examiner Dinh was not certain which day the decision was mailed, but confirmed that he had produced one. Examiner Dinh then instructed us to contact Kimberly Spears, Supervisor of Examination of Group 2600 to inquire the exact date of the mailing of the decision. Applicant's representative was unable to reach Examiner Sears in person, but let a voice mail message.

Since the exact mailing date of the decision on petition is unknown, and to ensure that the applicant does not suffer any loss of rights in this application, applicant has filed this Provisional Notice of Appeal and authorizes applying the appeal fee to Deposit Account No. 06 1050 if the decision re petition has a mailing date after May 5, 2005 and is then deemed necessary.
